

We encourage and support new ideas and are always seeking to improve the quality of patients' lives.

Qmedics AG is a privately held, independent Swiss medical technology company founded in 2008. We develop and manufacture stents, stent systems and balloon dilatation catheters. Our portfolio offers standard and customized products, solutions and technologies. With our passion for life, we focus on innovation and enhancement the concept of endovascular implants.

We are looking for an experienced and responsible person to strengthen our team

Quality Technician 100%

Your Responsibilities

As a member of a small team of quality experts, you will actively support the quality and production departments in various aspects.

You are primarily responsible for performing incoming goods-, sub-assembly and final device inspections. They are planned, processed and recorded by you self-responsibly. You will also initiate and process deviation reports.

You will also support the QMB in collecting and processing quality indicators. In addition, you support the QMB by processing complaints (NC and CAPA). By means of precise data collection and recording, you identify optimization potential and introduce corrective and preventive measures into the CIP.

Your Qualifications

- Completed technical vocational training
- Further training as a technician or quality assistant or as a quality specialist would be an advantage
- At least 5 years professional experience in QMS - QS in the medical device industry
- Experience in measurement technology an advantage
- Strong quality awareness
- Exact and independent mode of operation, resilient and reliable
- Flexible and open to new ideas
- Safe handling of MS Office applications
- Good knowledge of German and English (written and spoken)

You will find a challenging position in a motivated expert team. Qmedics AG is a growing innovative company with the ambition to make a substantial contribution to a world where everyone enjoys life without limitations.

We look forward to receiving your application at HR@qmedics.ch to the attention of our HR Manager Mrs. Monica Baumann. Please note, that we do not work with recruitment agencies to fill this vacancy. Only direct applications will be considered.
